CARL C. SEEMANN, owner of One-Hour Martinizing, receives an award as Dry Cleaner of the Year from Gerald Taborsky, president of the Midwest Cleaners' Association.

Foreign Exchange Program Gets Under Way

The campaign to establish a Foreign Exchange student program at Antioch Community High School gathered impetus at the program and meeting held at the school Tuesday morning, Feb. 11.

The meeting was scheduled by the Student Council of the high school, with Harrison Brown acting as advisor. The public was invited.

John Cummins, president of the Libertyville chapter of the Exchange program, explained the requirements that must be met to sponsor a foreign student, and answered questions. Libertyville High School has taken part in the exchange program for some time.

Temporary officers were chosen for the Antioch Chapter of the American Field Service International. Scholarships and a meeting called at the State Bank at 7:30 p.m. Thursday evening (tonight). Anyone interested in the program is urged to attend.

Temporary officers are Howard Shepard, president; Mrs. Sven Osterlund, member for homes and student-family adjustment; Mrs. Ted Larson, member for finances; Harrison W. Brown, member from school; William Seemann, Americans abroad co-ordinator; and Bruce Dalgaard, Student representative.

Additional adult members of the organization are Mrs. Clarence Larson, Mrs. Elmer Eberman, Mrs. Emory Chand-

ler, and Paston Harold Nelson.

Students of Antioch High School and members of the Antioch Foreign Exchange chapter will join in a drive to raise funds to sponsor a student. \$700.00 is needed, plus the promise of a suitable home for the student. Details will be outlined at the meeting Thursday.

Local Bankers At Seminar

William Brook, president of the State Bank of Antioch, Richard Daniels, vice president, and Ted Larson, the bank's attorney, attended an all-day seminar of the Illinois Bankers' Association at the Pere Marquette Hotel in Peoria, Ill., last Tuesday.

The three men were flown to Peoria by Bob Webb, leaving at 7 a.m. and returning at 5:30 p.m.

Subject of the seminar was discussion of some of the laws passed by the last session of the Illinois legislature changing laws regulating installment lending.

Fred W. Heilmann, Jr., Chairman of the Legislative Committee of the Installment Lending Division and President of the Northwest National Bank, Chicago, acted as chairman of the seminar and moderator for a panel consisting of Raymond W. Foote, Vice President of the Harris Trust & Savings Bank, Chicago; Thomas B. Sullivan, First National Bank, Chicago; and Edward F. Crowe, executive vice president of the Suburban Trust & Savings Bank, Oak Park.

About 400 bankers attended the seminar.

Named Dry Cleaner of The Year

Carl C. Seemann Cleaners was named Dry Cleaner of the Year by Midwest Cleaners Association.

The coveted award was presented to Carl C. Seemann of Linden Cleaners, Linden, Ill., by Gerald Taborsky, president of the Midwest Cleaners Association during the M.C.A. convention held at Pheasant Run Lodge, St. Charles, Ill.

Attending the three day convention, hosted by Fox Valley Cleaners and Launderers of St. Charles, were association members from northern Illinois, northern Indiana, southern Wisconsin and eastern Iowa.

The annual award is given to members who have by their example raised the industry's standards of quality and service.

Historians To Meet

The first quarterly meeting of the Historians of the twenty-three American Legion Posts in the Tenth District will be held on Sunday, February 16, at 2 p.m., at the Mt. Greenwood American Legion Post, at 3333 West 111th St., Chicago.

Following the business meeting, addresses will be given by Post Commander Michael Gillespie, Post Historian Richard Ast, First Division Commander Donald Maciejewski, Fourth District Commander Walter M. Quinn, and Jathor John Ireland Gallery of St. Christine's Catholic Church. It was Father John's brother, the famous Admiral Dan Gallery, who captured the German U-boat 505. Father John is a member of Naval Legion Post, Chicago.

A baked ham dinner will be served at 7 p.m. to the historians and their wives.

year will be honored at a recognition dinner February 21 in the Moraine Hotel, Highland Park.

Among those being honored is Roger Eberman, Rt. 3, Box 444, Antioch.

The Antioch Post Office will be closed Saturday, February 22, in observance of George Washington's birthday.

School Needs More Money, Says Board

The Channel Lake Board of Education has set May 2 as the date for another referendum asking the voters to approve a 20c raise in the educational task tax.

The same proposal was defeated by a vote of 93-55 on January 25.

The school board will be asking that the voters approve a raise in the educational tax from the present 71c per \$100.00 of assessed valuation to 91c. The increase would give the school about \$10,000 a year of additional income.

The school will be operating in the red by the end of the school year, according to members of the school board. The raise in the educational tax would make it possible for the school to keep up with current expenditures and purchase some much-needed equipment, according to Principal Howard Scott. More references and dictionaries are badly needed, he says, and additional audio-visual equipment.

Two members of the Channel Lake School Board will be up for re-election on April 11. The terms of Elmer Meierdick and Gladys Zobus (who was appointed to serve the unexpired term of Mary Chase) will end at that time. Both have taken out petitions to run for the office.

The petitions can be obtained at the school office. Earliest date for filing is February 26 and the last day to file is March 21.

This Is Boy Scout Week

This is Scout Week, and Boy Scouts from troops throughout the area will be joining in various activities in observance of the occasion. Boys of all faiths will join in a breakfast at St. Peter's Catholic Church at 8:30 a.m. this Sunday. Boys will attend the church of their choice in uniform, accompanied by their scoutmaster.

Troop 91 has a display in the window of Gibbs & Jensen store on Lake St., in connection with their activity in the Klondike Derby. The sled they used for the trip, a map showing the route taken, and a printed placard explaining the Klondike Derby are part of the display. Richard Harland is Scoutmaster of the Troop.

Quaker Industries Plan Addition, New Line

Quaker Stretcher is planning a 52,080 square foot addition to their factory, as the result of their purchase of the Arlington Seating Co., it was disclosed at Tuesday night's meeting of the village board.

Quaker Stretcher asked for

a building permit for the addition, to be built at the south end of the present structure. The addition would be 120' x 134' feet, and would be of the same general construction as the present building. As the plans were submitted to the board, they issued

a conditional permit, allowing the company to pour footings, contingent on the submission and approval of plans. Mayor Cunningham said the company wished to start pouring footings on Wednesday (yesterday) hence the provisional permit.

The Arlington Seating Co. manufactured school furniture in Arlington Heights from 1901 until purchased by Quaker Stretcher last year. Quaker took over the company in January of this year, and is already doing some of the production in their Antioch plant. The machinery and all equipment of the company will be moved into the new addition when it is completed, probably about May 1.

The executive staff of Arlington Seating Co., about six in number, will join the Quaker staff, according to Walter Block, president of Quaker Stretcher. Factory personnel to man the new operation, about 100 in number, will be hired locally. The plant now employs between 200-250 factory workers, of which approximately 25%, Mr. Block said, are Kenosha residents who remained with the company when it moved to Antioch from Kenosha. The rest, he says are local.

The company hopes to attain a more uniform production level with the addition of the new line. Mr. Block said. The peak production of the new line of school furniture will come at the time of year when Quaker's production was in a slack period. Combination of the two lines, he said, will cut down on layoffs in factory employees.

Quaker Stretcher recently built an addition of 27,000 square feet for storage purposes.

SEWER WORK NEARLY COMPLETED

The board approved the payment of \$1,700.00 to the Till Construction Co., contractors who installed the sewer line which runs through High School property to Route 173, then to Route 21. Frank Angelotti, village engineer, pointed out to the board that in spite of the installation of 250 feet more of sewer than was originally planned for, the total cost of construction was only slightly higher than the original estimate. Total cost of the sewer line was \$29,427.00.

Angelotti pointed out that a 12-inch sewer line was being installed to service Lyn-Jay apartments and Jedge & Cain, at the insistence of the village, with an eye to future expansion. An eight-inch line, he said, would have been sufficient for present needs. He estimated that the additional cost would be about \$2.00 per foot, or \$500 for the 250 feet. He asked board members if the village intended to shoulder the ad-

Grade School Grants Raise To Teachers

Members of the Board of Education of the Antioch Grade School gave teachers an across-the-board raise of \$300.00 yearly at the meeting of the board Tuesday night. The raise will be included in next year's contracts. Starting salary for a teacher with a bachelor's degree in the 1964-65 school year will be \$5,300.00. Previously it was \$5,000.00.

All teachers will receive the \$300.00 raise, with top salary at the school, with Master's degree, reaching \$8,350.00.

A contest for the school board elections in April at the Grade School is shaping up, with four petitions now having been taken out for the two posts to be filled. Incumbents Wesley Camp and Frank Filer will be seeking re-election, contested by Oliver Hunt and Joan Toft.

If you want to get even with someone—why not start with someone who has helped you.

Heart Fund Drive Throughout Month

The 1964 Heart Fund Drive will be a little different this year.

Door-to-door appeals will be made throughout the month of February, which has been proclaimed Heart Month. However, there will be no concerted collection drive on Heart Sunday.

It is hoped that the change will make it easier for those working on the collection. They can make their collections at their convenience, unhampered by bad weather or sickness.

Heart Sunday (Feb. 23) will mark the beginning of the final week of solicitation.

"Give Credit Where"

Two names were left off the High School Honor Roll last week.

Donald Zeman, a freshman, was omitted from the High Honor Roll and the third six-weeks honor roll. Donald had 18 grade points.

Allan Tegan, a junior, was omitted from the third six-weeks honor roll. He had 16 grade points.

New Officers Installed At Dinner Dance

A host of Antioch Chamber of Commerce members turned out to honor the outgoing and incoming officers of the Chamber at the organization's first annual Dinner Dance at George Diamond's Steak House last Wednesday.

William Brook, outgoing president, was presented with a plaque and a cuff link and tie clasp set in appreciation of his work for the past year. Don Hood, former manager of the Antioch office of the Illinois Bell Telephone Co., served as toastmaster for the affair.

Brook introduced the outgoing board to the assemblage, and thanked them for their efforts. Last year's officers, in addition to Mr. Brook, were Carl Seemann and John Stevens, vice presi-

dents; Marian Pechousek, treasurer; Howard Shepard, secretary, and Bette Meyer, Elmer Baethke, Joe Patrowsky and Jean Gressens, board of directors.

The new officers were introduced by Fred Walpole, president of the Chamber for 1964. They include John Dallman and John Romer, vice presidents; Bette Meyer, secretary-treasurer; and John Stevens, Hilliard Tobieski, Richard Miller, Robert Wilton, Jr., and Don Pittman, members of the Board of directors.

President Walpole told the assemblage that it was the hope of the new officers to work closely with village officials to promote increased industry and commerce in the village.

THE FLOWER BEDECKED parents watch attentively as their boys are being introduced at Friday nights pre-game ceremony at the

Antioch High School. The boys made it a perfect parents night program by whipping Vernon 83 to 60.

An Investment In Life

When a Heart Fund volunteer calls at your home and asks for a contribution sometime this month, remember that this is not, really, a contribution to charity. Rather, it is a small yearly payment on an insurance premium—insurance that medical help will be available should you or any member of your family be stricken with heart disease.

Earlier contributions to the Heart Fund have led to tremendous advances in the treatment of all types of heart disease. Babies born with heart defects a few years ago faced an early death or a life of semi-invalidism. Now, advances in heart surgery have brought these little ones to a normal, healthy life.

In the intensive research promoted by Heart Fund dollars, there is hope that in the foreseeable future surgeons will be able to install new hearts for damaged ones.

Here are a few of the advances your Heart Fund dollars have helped to bring about:

Thanks to significant advances in diagnosis and treatment, a higher percentage of heart attack victims are recovering from first attacks and returning to their jobs.

The death rate from stroke has been reduced by 22 percent among American men aged 45 to 64 years.

Medical science has learned how to prevent most initial and recurrent attacks of rheumatic fever.

New ways to control high blood pressure have been developed.

New surgical procedures can now correct most congenital heart defects affecting from 30,000 to 40,000 babies born each year.

So whatever amount you decide you can give to the Heart Fund, the benefits, increased many times, will probably come back to you in the future.

And it's deductible from your income tax.

Question of The Week

How many "nights out with the boys" should a husband have in a week?

That's our Question for the Week. A question that's started many a domestic wrangle and will probably never be answered to the mutual satisfaction of husbands and wives.

We took a random sampling of opinion on the question. The answers follow. Do you agree or disagree? Who's right? Who's wrong? Or do you have a different idea of the correct answer? Write and give us your opinion. Do you have another question you'd like to see answered in this column? Send it in! We may not get the right answer, but we'll get answers.

ANSWERS:
Harold Gaston: It isn't much credit to a wife if she has to insist that her husband stay home with her. (An evasive answer if we ever heard one. This boy isn't about to commit himself.)
Bette Meyer: As many nights out as his wife has. (Pretty clever.)
Howard Shepard: As many as he wants. (Understand now why he's a bachelor?)
Louise Gutowski: One night a week.

Joe Gutowski: Three nights a week. (Joe works nights.)
Judith Alm (single, salesgirl at Gibbs & Jenson): One night a week. (Judy quickly temporized by adding that if he "played golf or something of the sort he should also have extra days out.)

Ann Schock (married, salesgirl at Gibbs & Jenson): One night a week, but my husband goes out more if he wants to.

Ann Kropelin (married, salesgirl at Gibbs & Jenson): One night a week.

Gloria Cunningham, Cy's Restaurant: One night a week. (Getting monotonous, isn't it, boys?)

Millie Gwozdzinger (waitress, Cy's Restaurant): As many as he wants. (Sorry, boys, she's married.)

Letters to the Editor

To the Editor:
Here's a multiple choice question for your readers. From which publication was this quote taken:

"If there is one thing that can raise a citizen's ire it is being stuck with an unjust tax."

Mr. Peers' Issues . . . ACT Spotlight . . . Waukegan News Sun

The secret of scoring high on a well constructed multiple choice exam is, of course, to choose the most unlikely answer, and you will have guessed right.

The quote about citizen's ire and unjust taxes was the opening sentence in a News Sun editorial entitled An Appeal For Justice.

This is the newspaper which condones the "to be abated" .047 County tax which is still on our tax bills. This is the newspaper which has never mentioned the .05 levy to be added to those bills to pay the "rent" for our "free" court house. This is the newspaper which classes irate citizens as "offbeat" and "obstructionist" when they complain about these unjust taxes.

This is the newspaper which applauds the Bar Association's petition to the Supreme Court to deny further litigation to these citizens.

This wouldn't appear to be the type of crusading newspapers whose editorial writers would pen "If there is one thing that can raise a citizen's ire it is being stuck with an unjust tax." That's what makes my multiple choice question so excellently deceptive—you'd have to read it to believe it.

County board harmony, a precious commodity under the best of circumstances, could become extremely rare if the fight for the county board chairmanship develops into a bitter squabble between Waukegan Supervisor August Capon and Benton Supervisor Kenneth Henke.

The surprising withdrawal of Antioch Supervisor Lloyd (Red) Murrie in favor of Sup. Henke last week has generated some heat and could cause a serious split in the membership.

One of the campaign issues may be future Lake County contributions to the Northeastern Illinois Metropolitan Area Planning Commission, which is supported by contributions from federal, state, county, and municipal governments.

State Rep. W. J. Murphy, of Antioch, in his role as chairman of the State Budgetary Commission, has suggested a termination of state aid and Supervisor Capon has indicated he favors dropping county participation which this year amounts to \$5,000.

Sup. Henke, on the other hand, is a strong advocate of the NEIMAPC as well as the Lake County Regional Planning Commission and would probably urge more funds for each agency.

If the split between the Capon forces and the Henke forces widens into a chasm look for Deerfield Supervisor Frank Peers to step into the breach with his bloc of votes and become the balance of power.

The price Peers demands for his support could well determine the future course of county government for the next two years at least.

It is interesting to speculate on the future of the new courthouse plans if Peers should throw his weight to Henke and in exchange replace Capon as chairman of the Lake County Building Commission, the agency charged with the construction of a new county building.

The blue ballot judicial amendment was supposed to take the state judiciary out of politics, but those judges who must depend on the votes of precinct committeemen and other judicial convention delegates are caught in a tight

political bind.

For instance, Judge Thomas J. Moran is expected to be a candidate for Appellate Judge in the July convention and he will need solid support from delegates from Lake, Kane, and DuPage counties if he is to win the nod.

There are 10 other counties in the same Appellate district, however, so he will have to exercise great judgment and judicial temperament during the primary campaign as supporters of the two Republican gubernatorial candidates vie for his not inconsiderable political support.

To a lesser degree Circuit Judge Philip Yager is faced with the same difficult decision.

It is interesting to note the new campaign style Coroner Robert H. Babcox is exhibiting as he goes about the job of seeking his fourth term as coroner.

In his first two campaigns Babcox overwhelmed the opposition on sheer youthful exuberance.

In 1956 when he ran for Sheriff there were overtones of brashness and considerable emphasis on gimmicks and the philosophy of "Attack."

By 1960 when he was seeking a third term as coroner, Babcox spent much of the campaign mending fences and conciliating groups which had been opposed to him in the sheriff's race.

Now he exhibits a mature confidence, secure in the knowledge that he has the job and the challenger has to come to him if he wants to lift the crown.

Even though he is the youngest of the incumbents seeking re-election Babcox is the "dean" of the ticket and he has virtually assumed the role of elder statesman, a role that might be more fitting if he had some flecks of gray among the thinning locks.

Where To Buy A Good Used Car

It's easy to get into the "car business." All you have to do is pick up a few cars at a wholesale auction, rent a vacant lot, put up your sign and you're ready to go. If you want to buy a good used car though, I wouldn't suggest you be your own customer.

A good used car is not obtained by accident. It is selected first by an experienced estimator from what his eyes and ears tell him about its condition. With "rough" models thus eliminated, it must then be completely reconditioned.

At Teresi's Chevrolet-Olds Inc., this includes a road test, check of all electrical equipment, brakes, tires, front end and transmission. The compression is then tested and the engine tuned up. In cases where the general condition justifies it and it is necessary, we may rebuild the motor.

If the car requires a repainting, this is done after dents and scratches have been bumped out and sanded. The car is then ready to be guaranteed as a quality used car and go on our lot.

The cars eliminated in our first appraisal are sold at wholesale auction out of town where they are ultimately bought by used car dealers.

As the used car dealer generally possesses no garage facilities whatsoever (that's the type of operator we mentioned in the first paragraph), his only concern is to sell them. Since the used cars of reputable franchised new car dealers are competitively priced with those on used car lots, it is easy to see where the bargain lies.

Your Governor Reports
by OTTO KERNER

There is one American who is familiar to people the world over—Abraham Lincoln.

He is the ideal of millions of persons. He is the best spokesman that America ever had. He is considered by many foreigners as a symbol of the United States.

Lincoln still has a great deal to say to the world. His words are meaningful, not because he went from a log cabin to the White House, but because he remains the prime exponent of human dignity and the freedom of man. His basic belief continues to live today: no man is free until all men are free.

As we celebrate the birthday, this week, of this great Illinoisan and great American, it is fitting to once again consider his words as he discussed the equality guaranteed by our Declaration of Independence.

Lincoln said: "I think the authors of that notable instrument intended to include all men, but they did not intend to declare all men equal in all respects. They did not mean to say all were equal in color, size, intellect, moral development or social capacity."

They defined with tolerable distinctness in which respects they did consider all men created equal—equal with 'certain inalienable rights, among which are life, liberty and the pursuit of happiness.' This they said, and this they meant.

"They did not mean to assert the obvious untruth that all men were then actually enjoying the equality, nor yet

that they were about to confer it immediately upon them. They meant simply to declare the right, so that enforcement of it might follow as fast as circumstances should permit. . . . They meant to set up a standard maxim for a free society, which should be familiar to all . . . and even though never perfectly attained, constantly approximated, and thereby constantly spreading and deepening its influence and augmenting the happiness and value of life to all people of all colors everywhere."

Artist To Display Works At Library

Kathrin Loftus, who has gained considerable recognition as an artist while holding down a job with the Illinois Bell Telephone Co., will have a display of several of her works at the Antioch Township Public Library starting this Saturday.

The paintings will remain at the library for the next three weeks, when they will go to Lorenz's Smart Country House for the opening of their new addition.

Mrs. Loftus worked in the Antioch exchange of the telephone company from 1956-61. Now she works in Waukegan, still with Ill. Bell. She works in oil, and does mostly portrait work. She has recently been commissioned to paint a portrait of the daughter of Mr. Idstein, of the Exchange Bank of Chicago, and the 17-year-old daughter of Mr. and Mrs. G. Topor of Niles.

Mrs. Loftus, a resident of Venetian Village, studied at the Chicago Art Institute, the American Academy, the Meyer Both College and the Glenn E. Sheffer School. She was tutored by two widely-known artists, Edward E. Timmons and Irving Manoir.

Mrs. Loftus is a realist. She works from life, and her

particular joy is to do portraits of children. She occasionally does landscapes—one large one she painted was purchased by Helga Nesbit, State Director of the CWA, the telephone operators union.

Ole Kirkegaard, 909 Low Street, Waukegan, son of Mr. and Mrs. Aksel Kirkegaard of Aarhus, Denmark, took as his bride, on January 25, Miss Dolores Huckabone, 623 Linden Street, Waukegan, daughter of Mr. and Mrs. Andrew Efinger, 1000 Monotesano Ave., Waukegan.

The Rev. R. Claibourne Johnson officiated at the 3 p.m. double ring ceremony at which Mr. and Mrs. Carl Bech of Libertyville were the honor attendants. Ushers were Peter Kirkegaard, a brother, and Niels and Olaf Hansen.

The bride wore a yellow street length dress topped by a matching lace jacket. Her flowers were yellow and white carnations. Mrs. Bech wore an old rose taffeta street length dress and carried yellow and pink carnations.

Mr. and Mrs. Kirkegaard are living at 732 Linden Ave., Lindenhurst, after honeymooning in New York.

Friends greeted the couple at a reception at the home of the bride's parents.

Mr. Kirkegaard bowls on the Lindenhurst Men's Bowling League with the Reliable Meats team.

MEMBERS OF CUB SCOUT TROOP No. 86, Channah Lake, relax for a few moments during a roller skating party they held at the Lake Region Roller Rink last Sunday afternoon.

When visibility is bad, points out the Chicago Motor Club, it often is helpful to turn on your lights to protect yourself from drivers who otherwise may not be able to see you. Wise use of your car lights can help prevent accidents. Remember, it is against the law to drive with only parking lights on.

Mr. and Mrs. John Koziol (candid by Lee)

Busch-Koziol Nuptials At Prince of Peace Church

By Mrs. Bernice Bernau
Miss Evelyn Busch, daughter of Mr. and Mrs. Daniel Busch, Sr., Grand Ave., Lake Villa, repeated marital vows with John Koziol, son of Mr. and Mrs. Stanley Koziol, 2309 E. Valley Drive, Lindenhurst, at a 10 a.m. double ring service Feb. 1, in Prince of Peace Church in Lake Villa. The Rev. David Lynch officiated.

The bride, given in marriage by her father, was attended by Mrs. Anita Busch, her sister-in-law. Richard Graas of Venetian Village was best man.

Bridesmaids were Mrs. Lucille Kowalski of Venetian Village and Mrs. Dorothy Rutherford of Chicago, sisters of the bride. Ushers were Daniel Busch, Jr., brother of the bride and her brother-in-law, Donald Rutherford. Four-year-old Jo Anne Koziol and four-year-old Dawn Kowalski, niece of the bride, were flower girls. Darrell and Daniel Rutherford, nephews of the bride, were ring bearers.

For her wedding the bride chose a long sleeved, chan-

tilly lace gown, dotted with sequins in front, with a bouffant skirt with a wide sweep chapel length train.

Her two tier wedding cake crown held her waist length veil.

The bride carried a cascade arrangement of gardenias with stephanotis and ivy. Her attendants wore red roses on their white fur muffs. The flower girls wore garnet roses on their muffs.

The matron of honor wore a gold velvet street length dress, with a long sleeved beige lace jacket, with a gold velvet pill box hat and circular veil. The bridesmaids wore dresses of royal blue velvet, with beige, long sleeved jackets and blue velvet pill box hats and circular veils.

Red velvet dresses and white fur bands were worn by the flower girls.

After a wedding reception at the Lindenhurst Civic Center, where 225 relatives and friends feted the newlyweds, they left for a short honeymoon, staying at the Flying Carpet. They are making their home on Verona Drive, on Sand Lake, in Venetian Village.

Betrothed

Karen Marie Lonson

Mr. and Mrs. Arthur Nowakowski, of Loon Lake, Antioch, announce the engagement of their daughter, Karen Marie Lonson, to Thurman M. St. John, son of Mr. and Mrs. Achiel Minne of Lindenhurst.

Miss Lonson is a graduate of Antioch Community High School.

The History of Fashion will be staged Easter Monday, March 30, at the St. Peter's Social Center, for the benefit of Countryside Hospital.

MOOSE TOPICS

Ed Petersen, Arthur Andersen and George Schroeder of Antioch Moose Lodge attended the Winner Lodge, No. 74 breakfast and board meeting, held at the Elkhorn Moose Home last Sunday morning.

The regular Moose meeting will be on Wednesday evening, Feb. 12, at 8 p.m.

There will be a square dance at the Antioch Moose Home on Saturday night, Feb. 15, starting at 9 o'clock.

There will be an Antioch Legion of Moose get-together on Sunday at 4:30 p.m. Meeting, pot luck and entertainment.

Wed At Lake Villa

Mr. and Mrs. John E. Kelly (Seneca Studio)

The wedding of Sally Jo Skach, Lake Villa, and John E. Kelly, Antioch, was solemnized at the Good Shepherd Lutheran Church in Lake Villa on Saturday, February 1, at 4 p.m.

The Reverend Kenneth Haskell officiated at the double ring service. The bride was given away by her father.

Miss Skach is the daughter of Mr. and Mrs. Joseph A. Skach of Rt. 1, Lake Villa. Mr. Kelly is the son of Mrs. L. Kelly, 347 Harden St., Antioch.

The bride's gown was of beau de soie satin, with a beaded scoop neckline, bridespoint sleeves and heavily beaded sheath skirt with a large bow at the back waist. The bride carried a bouquet of white carnations.

Maid of honor was Miss Valerie Law, Oak Park.

Bridesmaids were Miss Janet Valle and Miss Holly Herron. Junior bridesmaids were Miss Vickie Ward and Miss April Ward, both cousins of the bride.

The bride's attendants wore floor-length gowns of amethyst satin, with portrait neckline, Dior sleeves, and controlled skirts with very full, flowing backs, accented by a large bow at the back waist. They carried pink carnations.

Mr. William Twedt, Homewood, served as best man, and Terry Taylor and Donald Cardiff were ushers.

A reception was held at the George Diamond Country Club. Mr. and Mrs. Kelly left for a honeymoon trip to the Southwest.

The bride and groom are both graduates of Northern Illinois University.

Crusade Day For Methodist Churches

By Del Jahneke

Antioch Methodist Church members are becoming increasingly interested in two vital and worthwhile projects that are being sponsored by all Methodist Churches in the Northern Illinois area. One is the purchase of Camp Reynoldswood on the Rock River, as a Christian youth camp, and the other project is the Wesley Willows Retirement Home in Rockford, Ill. Sunday, March 8, has been designated as "Camp and Home Crusade" Day in this area.

Architectural plans for the Wesley Willows retirement home are now on the drawing board. This includes a proposed colonial style structure to house 120 residents. A health center for 25% of the residents is planned as part of the first unit. The first unit to be built on the 23 acre site will be for 75 residents. As the need arises, other units will be developed. While Wesley Willows will be open to all, it should be emphasized that it is a retirement home with a definite Christian character. It is not a convalescent home, although there will be an infirmary to provide life care for almost any illness. Hospitalization is cared for through the regular monthly care fees.

Diamond Display At Antioch Woman's Club

Anne Kelley

"A Girl's Best Friend"—diamonds—will be the subject under discussion at the next meeting of the Antioch Woman's Club on Monday, Feb. 17.

Anne Kelley of the Illinois Bell Telephone Co., will present her program, "Jewels for a Queen." It will include a display of authentic copies of some of the world's most famous stones, including the Cullinan diamond, the world's largest; the Hope diamond, the most notorious, and the Koh-i-noor, the world's most royal.

Campus News

John Edward Kelly, Antioch, will receive his B. S. degree at Commencement exercises at Northern Illinois University on June 6.

Last June, during the annual Rock River Conference, a resolution was passed authorizing a capital funds campaign to raise \$400,000, for the purchase of Camp Reynoldswood, and \$100,000 as working capital for Wesley Willows in Rockford. The total goal of \$500,000 is to be raised within the calendar year 1964.

Wed 63 Years "Where The Boys Are—" On Feb. 14

Mr. and Mrs. Bert Ray of Waukegan will observe their 63rd wedding anniversary on February 14.

Mrs. Ray, formerly Nellie Brown, was born in Antioch and has spent her entire life in Lake County. Mr. Ray, born in Garrettsville, Ill., operated a gas station in Antioch for 20 years.

Mrs. Ray has been a member of the Royal Neighbors of America No. 289 for 65 years. Mr. Ray has been a member of Masonic Lodge No. 78 for 40 years.

BAND PRESENTS ANNUAL P.T.A. CONCERT

The Antioch Grade School Band presents the annual P.T.A. Concert on Monday, February 17. The concert will be given in the Antioch Grade School gym at 8:00 p.m.

The program consists of marches, contest numbers, novelties, popular music and featured soloists.

Josephine Olsar, Kathy Mayerle and Donna Garrison will play a flute trio called "Beguine for Flutes."

George Olsar, the band director, will play a trumpet solo. This concert is free and open to the public.

MEMPHIS, Tenn.—Marine Private Leslie R. Racine, son of Mr. and Mrs. K. C. Racine of 440 Linden Lane, Antioch, Ill., completed a week of testing and screening Jan. 24 at the Naval Air Technical Training Center, Memphis, Tenn.

During the week he received a battery of aptitude tests and was interviewed to determine his eligibility for technical training to prepare him for duties in the aviation field of the Marine Corps.

BAND CONCERT FOR P.T.A.

On Monday, Feb. 17, the Antioch Grade School P.T.A. meeting will feature the annual Senior Band Concert of the Antioch and Oakland Grade School bands under the direction of Mr. George Olsar. The concert will be at 8:00 p.m. in the grade school gym.

An added feature of this meeting will be a used book exchange of children's and adults' books. Parents and others who wish to pass on used books may drop them off at the school this week or send them with their children. Those who wish to purchase the books at a nominal fee may do so Monday evening. The doors will be open at 7:30.

There will be no business meeting. The Antioch Grade School parents and children will act as hosts to the Oakland parents and children.

Refreshment hostesses for the evening will be Mesdames Vanderwerker, Ruggles, Sarikovich and Ruggles.

ATTENDS BROTHER'S FUNERAL

Mr. and Mrs. Henry A. Mau, Lake Marie, Antioch, attended the funeral of Mrs. Mau's brother, Ernest Freese of Beecher, Ill., in Beecher, last Tuesday.

Mr. Freese is survived by one daughter, Marilyn Ohlendorf of Beecher, 2 grandchildren and 4 sisters, Mrs. Elfrida Mau, of Antioch, and Mrs. Ella Dewar, Mrs. Emma Buttrick and Mrs. Esther Wikstrom, all of Blue Island.

The Antioch Allemanders, a square dance group, will have their monthly square dance on Saturday night, February 15, starting at 8:30 p.m., in the basement community room of the Antioch Savings & Loan Assoc. on Lake St.

Tom Thomley, Antioch's well-known caller, will do the calling for the dance. New members are invited to join in the fun.

Channel Lake PTA To See Dolls

Members of the Channel Lake PTA will have a chance to get a small preview of the Woman's Club Fashion Show at next Wednesday's meeting at the Channel Lake School.

Although the fashions to be shown at the Fashion Show on March 30 won't be shown, Phyllis McMillen will display some of the costumed dolls she had made, along with her commentary. The dolls to be shown on February 10 at the school will be given as prizes at the Fashion Show.

The glamorously costumed dolls were made by Mrs. McMillen for various programs of the Woman's Club. Each represents a person or theme. The Channel Lake PTA will meet at 8 p.m.

ANTIOCH LAKESIDE REBEKAH LODGE

By Del Jahneke
Mrs. John Hagel, Mrs. Eldon Gordon, Mrs. Clarence Larson, Miss Evelyn Johnson and Mrs. Harold Ellis, Noble Grand, all members of the Lakeside Rebekah Lodge, attended the open installation of officers of E. D. Richardson No. 6 I.O.O.F. Rebekah Lodge of Lake Geneva, Wisconsin, on January 25. Dignitaries of Wisconsin and Illinois assemblies were honored guests of the evening.

Mrs. John Hagel, junior past noble grand, and Miss Evelyn Johnson were present at the pot-luck supper and school of instruction held for officers of the Waukegan Rebekah Lodge on January 24.

Lakeside Rebekah Lodge No. 82, I.O.O.F., had a school of instructions on Feb. 6, with Mrs. Winifred Davison of Waukegan, officiating.

Mrs. Lillian Hand, Miss Evelyn Johnson and Mrs. John Hagel were appointed to the Examining Committee.

The next meeting of the Lakeside Rebekah Lodge will be held on Wednesday, Feb. 19, at the Antioch American

ST. PETER'S ALTAR AND ROSARY SOCIETY

The members of the Altar and Rosary Society gathered at the new Social Center basement for their February meeting. The Membership Committee urged everyone to pay their \$1.00 dues for the coming year. Dues may also be sent to the Rectory.

Mrs. Charles Forster read the annual report of the Medical Missions Committee. She thanked everyone for their generous donations of old sheets and shirts, and encouraged continuing the contributions.

An Interfaith Tea will be held in Waukegan on March 3. Anyone interested in attending, please contact Mrs. Robert Gross for details.

The current Pop Products drive closes in March. Members are asked to turn in their "savings" to Mrs. Rudy Eckert.

The following ladies were honored for their birthdays: Mrs. Emma Roblin, Mrs. Emily Milowski, Mrs. Marge Gaa, Mrs. Regina Szymanski, and Mrs. Evelyn Freund.

A program was presented by Mrs. James McMillen and her historical dolls. Assistant was her daughter, Mrs. Anne Kakacek, who modeled costumes identical to the dolls. Her program was a preview of the dessert luncheon entitled "History of Fashion" which will be held for the benefit of Countryside Hospital on March 30 at the Social Center.

Hostess for the evening was Mrs. Rudy Eckert and

Legion Home. Mrs. Clark Perkins will speak on Thomas Willey, founder of Independent Order of Odd Fellowship, and Mrs. Clarence Larson will talk about the Educational Foundation.

Mrs. Frank Dibble, Antioch, and Mrs. Jessica Runyard, Trevor, Wis., are at their homes, but are still ill. Mrs. Roy Palmer is also still confined at the Lake County General Hospital—all of them would welcome visitors and cards.

WOMEN'S SOCIETY OF CHRISTIAN SERVICE

The Channel Lake Grade School basketball A team was defeated for the first time in Conference play, when they lost to Big Hollow last Thursday night. The B team also lost their game.

The A team will participate in the Richmond tournament Thursday and Saturday evenings, Feb. 13 and 15 at the Richmond Grade School. Channel Lake will play Antioch at 7 p.m. and Johnsonburg will play Richmond at 8:15. The losers of the two games will play it off at 7 p.m. Saturday and the winners will play at 8:15 p.m. Let's all go to these games and show the school they have your support.

The Channel Lake PTA will have its regular meeting Wednesday, Feb. 19, at 8 p.m. in the school gym. The program will include a movie "Where Children Come First" and as it is Founders Month the past presidents will be introduced.

Mrs. Margaret Weiss re-

turned home Monday after spending six days in Cleveland, Ohio, visiting her son, Harry and his family.

The Channel Lake Community Club met Tuesday night at the school to discuss plans for their upcoming St. Patrick's Day dance. The club meets the second Tuesday of the month at 8 p.m. in the school and would like new members. Any adult in the community is welcome to join.

We Dropped A Name
The names of Mr. and Mrs. Ray Eddy were inadvertently omitted in last week's news as being one of the couples from Felter's Subd. that Mr. and Mrs. Bob Willett visited on their trip to Florida. Mr. and Mrs. Willett stayed in an apartment just a mile from the Eddys' and spent a good deal of their vacation visiting with them and going to different places together.

Mr. and Mrs. Eddy spend six months in Florida and six months in Antioch and as they know the state of Florida very well, really saw to it that the Willetts had a good time.

"SPIKES" THAT KILL—SOUND

ECHO-FREE: Acoustic scientists and engineers at the Research and Advanced Development Division, Wilmington, Mass., have constructed a laboratory free of reverberations and echoes to simulate the unique radiation and radio wave environment of deep space. Called an anechoic chamber, the room has more than 4,000 sound absorbing "spikes" embedded in the walls. In the view above, an advanced electronic vehicle is being prepared for tests which will forecast its condition and behavior in space assignment.

Men's Club Meeting

The Lindenhurst Men's Club will meet Thursday at the Lindenhurst Civic Center at 8:15 p.m. The dance for the benefit of the Country-side Hospital, to be held Feb. 15 at the Civic Center, will be discussed.

Accident

Mrs. Joan Maxim of 2409 Deepwater Rd. is nursing a sore neck after her automobile was hit by another car in Waukegan Friday afternoon. A third car had struck the rear of the one that hit hers. She had her three children, John 4, Theresa 3, and Diane 3 months old with her, at the time, but they were not hurt.

Troop 84, Boy Scouts

Boy Scout Troop 84 of Lindenhurst participated in the Northwest Council Klondike Derby, Saturday, January 25 at the Chain-of-Lakes State Park.

The boys who participated were Gary Hunt, Mike Pearce, Johnny Kleffner, Bill Flanagan, John Leavy and Vaughn and Guy Filwell. The boys earned themselves a "B" grade. Leaders Willis Raetz, Robert Spiegel and Ralph Schwartz were pleased with how the boys made out.

Troop 84 is planning a display in Linden Plaza for Scout week February 8 through 14. There will also be a parents' awards night, Feb. 13.

Anniversary Celebrations

Friday night, Pat Parpan, Ethel Brendel, Annabelle Leavy, Pat Gange, Louise Lavelle, Lynne Hay and Barbara Hendrickson helped Grace Slove celebrate her 23rd wedding anniversary. The ladies all met at the Rustic Manor after Grace closed up the bakery.

Saturday night, a group of friends surprised Grace (John knew about it) by having a party for them at Roman's in Ingleside.

CYO News

Fifty young people attended a dance Friday evening at the Lindenhurst Civic Center, sponsored by the CYO Club of Prince of Peace Church. The Rhythm Kings provided the music for the dancing.

Kathy Anderson was chosen Queen, and Gene Konitzer, king. Harry Matejka, president of the CYO, crowned the Queen and presented gifts to the royal couple.

In the Army

Ed Bernau, Jr., is getting his basic training at Fort Knox, Kentucky. Ever wonder what the army schedule is? Ed's last letter says, "We're up at 5:40. Reveille at 6:00. Eat 6:30. Formation at 7:00. All kinds of classes and drill till 12:00, when they eat. Then more classes and drill, and physical training and running. Supper at 5:00. Then they clean their shoes, rifles, barracks, study. No time in the morning to shave, wash up, or take care of personal things, so they do that at night. Every other night is fire guard for an hour for each soldier in rotation. If they are lucky they get six

hours sleep."

Most of the boys are sick with colds, including him. He says they have good warm clothes and a good balanced diet, including meat, vegetables, fruit twice a day. Eggs, warm cereal, toast and juice for breakfast. He is looking forward to coming home, so he can get caught up on his sleep.

Hospital Patients

Mrs. Marge Moffitt of Fairfield Road has been a patient in Victory Memorial hospital since Jan. 28 with pneumonia. John Peterson of 2413 S.E. Thornwood Dr., was operated on at Victory Memorial recently.

Louis Meglio, Jr. of Sprucewood Lane was in Victory, too, for a few days. He is one of the boys who bag your groceries at the Piggly Wiggly.

Mrs. Minnie Clancio, of 2417 Sand Lake Rd., came home Saturday after being operated on at Victory about two weeks ago.

Stork Shower

Mrs. Helen Rohrer was surprised to find out she was the guest of honor at a baby shower last week at Lorraine Lewis' home. She had gone there believing she was going to attend a plastic demonstration. Helen and Andy are expecting their fourth offspring around the 25th of March. They have a son, Bill 10, Gary 8 and Laurie 6.

New Great-grandchild

Mrs. Jenny Szydlowski is proudly telling everyone that her grandson Dick's wife, Lynn, had her third daughter, Jan. 21. Little Ellen weighed 8 pounds at birth. Dick is the son of Richard and Bernice Malstrom of McHenry. He is going to college in LaCrosse, Wis., and will be graduating in another year.

New Neighbors

Tom and Grace Beck are renting the home at 2005 E. Old Elm Road. They moved the first of January from Kenosha, Wis. Tom works for the Great Lakes Electric Supply office in North Chicago. They are the parents of two little boys, Robert 3, and Tommy 3 months.

Welcome Son

Mr. and Mrs. Andrew (Sal) Angeles are the proud parents of a 6 pound 1 ounce little boy, born to them January 26. Thomas George made his arrival at Victory Memorial Hospital.

The Angeles' moved here about seven months ago from Zion. They are buying the Harold Behrendt home at 1830 Maplewood. They have been married four years and have another son, Andy 2½ years old. Andy, Sr. is a truck driver for National Biscuit Company in Waukegan.

Welcome Fourth Child

Mr. and Mrs. Anthony (Ariel) Terdin of 2215 Witchwood Lane have named their third son, M. A. The little fellow was born Jan. 30 at Victory Memorial Hospital. He weighed in at 7 pounds. Their daughter, Susan is 11, and the boys are M.C. 9, and L. E. 5.

ditional cost. Jedele & Cain and Lyn-Jay builders would pay the basic cost.

After some discussion, the board voted to pay the extra cost for the large installation.

The board refused to O.K. plans Angelotti submitted for the sewer line across Lyn-Jay property. Original plans showed the sewer ending on Lyn-Jay property. The board insisted that it run from Buena Terrace to Winsor Terrace, with Lyn-Jay builders giving the village an easement so that the sewer could be maintained.

The village attorney, Edward Jacobs was instructed to draw up an ordinance stating that beginning with the fiscal year, the board will hold two regular meetings each month on the first and third Tuesdays of the month.

DEATH NOTICES

ELMER W. DIEBALL

Mr. Elmer W. Dieball, 68 years old of Morley's Subdivision, near Antioch passed away on Friday, Feb. 7, 1964 at 1:30 a.m. at his home after a one month illness. He was born March 14, 1895, in Chicago, the son of Otto and Mary Dieball. He resided in Chicago until moving to Antioch in 1940.

He had served in the U. S. Army during World War I and held membership as a life member in Verdun No. 33 Disabled American Veterans of the World War at Chicago. Mr. Dieball retired 24 years ago as a printer.

He married Gussie Rohde on January 31, 1919 in Chicago and they had celebrated their 45th wedding anniversary last January 31.

His survivors are his wife, Gussie; one daughter, Mrs. Robert (Florence) Crawford, Genoa, Ill., and one sister, Mrs. Edna Lewan, Chicago, and one granddaughter.

Funeral services were held at 1:30 p.m. on Monday at the Strang Funeral Home in Antioch. Rev. Harold Nelson of St. Mark Lutheran Church at Lindenhurst officiated at the services. Interment was in Liberty Cemetery north of Antioch.

ERNEST E. PARKHURST

Mr. Ernest E. Parkhurst, 74 years old of Salem Oaks Subdivision near Salem, Wis., passed away on Wednesday, February 5, at 10 p.m. after a lingering illness, at the home of a friend at 840 S. Schuyler in Kankakee, Ill.

He was born Sept. 7, 1889 in Kellogg, Minnesota, then moved to Chicago for 27 years and has resided in Salem since 1950. He was a retired gas station attendant by occupation.

Mr. Parkhurst had served in World War I in the Army and held membership in the Schultzhahn Post 293 of the American Legion at Silver Lake, Wis. He married Martha Gersch on June 14, 1934, at Crown Point, Indiana and she preceded him in death on Sept. 2, 1957.

He is survived by one stepson, Harold O'Dea, Powers Lake, Wis.; one step-daughter,

ter, Mrs. Lorraine W. Kittel, Chicago; two brothers, William Parkhurst, Chicago, and Earl Parkhurst, South Haven, Mich.; one sister, Mrs. Fay Fowler, LaFayette, Ind., and two grandchildren.

Funeral services were held at 1:30 p.m. on Saturday at the Strang Funeral Home in Antioch, with the Rev. Donald Cobb of the Antioch Methodist Church officiating.

GEORGE O. BAYRD

Mr. George O. Bayrd, 70 years old of Lookout Mountain, Tenn., passed away Friday, Feb. 7, at his home at 134 Watkins in Look Out Mountain, Tenn., after a short illness. He was born Oct. 3, 1893 in Chicago. He had spent his summers on Lake Catherine near Antioch for the past 60 years and the winter months in Tennessee for the past 8 years. Mr. Bayrd had retired in 1950 as head of Wool Division for Swift & Co., where he worked for 38 years. He held membership in the First Presbyterian Church of Chattanooga, Tenn. Mr. Bayrd married the former Helen D. Dorrance whose family were early settlers at Lake Catherine.

His survivors are his wife Helen D. Bayrd, two daughters, Mrs. P. D. Paxton, Summit, N. J., Mrs. Bruce Stewart, Wilmette, Ill., one son, Dr. Edwin Bayrd, Rochester, Minn., and nine grandchildren.

Funeral services were held at 2:30 p.m. on Monday at Rosehill Cemetery Chapel in Chicago, with interment in that cemetery. Dr. James Fowle of the First Presbyterian Church in Chattanooga officiated at the services. Strang Funeral Home of Antioch was in charge of the services in Chicago.

Snyder served on the Lake Villa Grade School board for many years.

Inside Antioch High

By Marilyn Gras

Last weekend was an unusually happy one for Sequoit fans. The varsity basketball team won two games, and the Sequoit wrestlers captured second place in the conference standings.

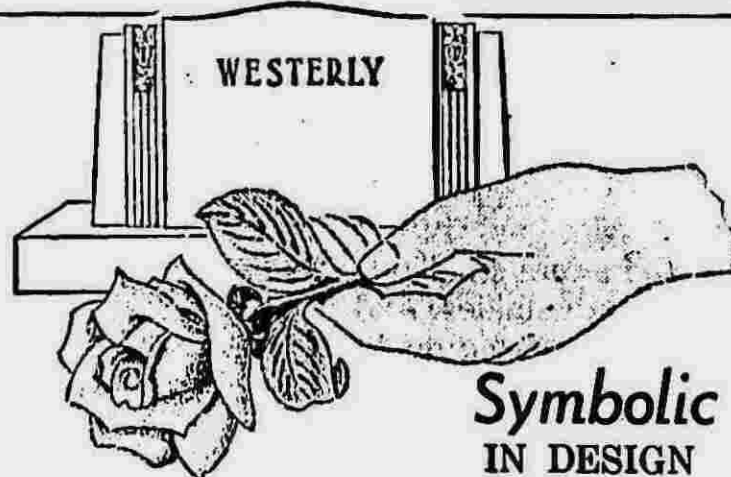

After easily beating the Elia-Vernon Bears on Friday night, the Antioch hoopers journeyed to Mundelein on Saturday and surprised the Mustangs. Antioch scored 52 points to Mundelein's 49. High scorer for the game was Vic Rogers with 22 points.

The Sequoit wrestlers, after a rather disappointing season, "came alive" during the conference tournament and placed second behind Grant. Four Antioch grapplers captured individual titles—Ray Sheppard (112), John Sebesta (154), Paul Lindblad (165), and heavyweight Lon Ipsen. Other award winners for Antioch were Jim Sheppard (120) and John Sheppard (127) who placed second and Ray Peterson (180) who finished in fourth.

This Friday and Saturday the Antioch High School Music Association will hold its first "Week-end of Swing." On Friday, the Frank G. Hough Vocalists will present their concert, "Interlude." On Saturday the high school Stage Band and Swing Choir will perform. Proceeds from both concerts will be used to support the Summer Fine Arts Camp. Tickets may be obtained from the Music Association Parents or at the door either night.

Betty Liddle, a prominent Senior at ACHS, was recently named the winner of the Betty Crocker Homemaker of Tomorrow Award. Betty has spent all her school years in Antioch. She plans to attend Illinois Wesleyan University next year and major in Home Economics.

Salem Church Plans Addition

By Mrs. Frank Edwards

Members of the Salem Methodist Church voted last week to embark on a building program. A new sanctuary and social hall will be built.

The decision was made at a meeting last Sunday, February 3. Superintendent Rev. Guy Riggs of the Janesville District Conference acted as chairman of the meeting.

The Building committee presented their plans for consideration. After some discussion, it was voted to build on the present site, rehiring the architects who presented the tentative plans (Anderson, Yandre and Rehder), and to plan a fund-raising campaign.

Architect Yandre estimated it would take two to three months to complete plans, one month to let contracts and six to seven months to complete the sanctuary.

The approximate cost of the sanctuary will be \$70,000.

Canada's Newsprint Is 'Fit for Fiddles'

New York, (RE)—Canadian spruce, which helps make the best newsprint in the world, also makes the best fiddles, says the Rev. George R. Wright, founder of the Violin Makers Association of British Columbia.

One reason, according to the Newsprint Information Committee, is that the fibers which make up sprucewood are very long and strong. These fiber qualities are what determine the strength and body of the newsprint sheet, making it less likely to break on the press and providing a better printing surface.

In violins, the length and strength of the fibers make for a resiliency and a consistency of vibration which seem to improve tonal quality. In some manner, the wood's even grain also contributes to the richness of tone, Mr. Wright believes, as well as to the beauty and long life of the instrument.

Structurally, the strength of the wood is a further asset. The sprucewood is used for the violin belly, the upper surface

JET AGE FUEL

KEROSENE, ONCE THE COUNTRY'S MAIN SOURCE OF ARTIFICIAL LIGHT, IS THE PRINCIPAL COMPONENT OF THE FUEL WHICH MODERN JET AIRLINERS CONSUME AT THE RATE OF MORE THAN 2,000 GALLONS AN HOUR.

TODAY'S JET FUEL IS A HIGHLY SOPHISTICATED VERSION OF THE KEROSENE THAT WAS AN EVERYDAY ITEM IN MOST TURN-OF-THE-CENTURY AMERICAN HOMES.

TO MEET ANTICIPATED REQUIREMENTS OF THE SUPERSONIC JET PLANES OF TOMORROW, THE OIL INDUSTRY IS NOW WORKING TO UPGRADE THE VERSATILE FUEL EVEN FURTHER. DEVELOPING A FUEL TO POWER PLANES THAT WILL TRAVEL THREE TO FOUR TIMES THE SPEED OF SOUND HAS BEEN CALLED "THE GREATEST CHALLENGE EVER TO FACE THE OIL INDUSTRY'S AVIATION EXPERTS."

It costs this much to dry a load with other dryers

Gas dries over four loads for the cost of one with other dryers

Dry clothes all year long with Gas for the cost of drying only three months with other automatics

Any way you look at it, Gas dries best for less

The average family saves nearly \$20 a year by having a gas dryer instead of any other automatic. In 10 years (the average life of a clothes dryer) you've saved enough to pay for your gas dryer.

With gas, your clothes dry fast, come out soft and sweet-smelling. There's no dry baking action to set wrinkles. And you don't have to invest in costly heavy-duty wiring to operate your gas dryer.

So don't be fooled by "special" price offers on other automatic dryers. They can't begin to equal the long-term savings and satisfaction that come with owning a modern, dependable gas dryer.

See the new gas dryers now on display at your appliance dealer's or at your nearby Northern Illinois Gas Company showroom.

Sequoits Edge Mundelein, Trounce Ela-Vernon

THURSDAY, FEBRUARY 13, 1964 THE ANTIOCH NEWS 9

News of Lakesports

IT MAY LOOK LIKE twisted fingers but in reality Jeff Gates had just got the shot away before the Ela-Vernon defender could get his own fingers into the act.

Jeff Gates put on a 29-point performance before a screaming parent night crowd at Antioch Friday night and led the Sequoits to an 83 to 60 win over Ela-Vernon. The win boosted the Sequoits into a tie for fourth place with Round Lake.

Between Gates' shooting and Vic Rogers' rebounding the Sequoits had little trouble in containing the Ela-Vernon attack.

Antioch led at the end of the first quarter 18 to 16 and quickly took command at the opening of the second period. By the end of the quarter Antioch had poured through 25 points to 13 for the Bears and held a 43 to 29 lead at halftime.

The Sequoits continued to blister the nets in the second half as they outpointed the

SHOCKS MUNDELEIN SATURDAY

The Sequoits retained some of their spirit and determination from Friday night as they took the floor Saturday at Mundelein and edged a highly regarded Mundelein team 52 to 49.

It was a close battle all the way with the lead changing hands many times. Neither team held much of an advantage as the biggest lead of five points was held by the Sequoits briefly in the third quarter.

"The boys played real well all the way, especially on defense," coach Roger Andrews said. Vic Rogers had one of his best games as he accounted for 24 points and led in rebounding with 18.

Antioch had to come from a 17 to 14 deficit at the end of the first period to tie the score at half time 27 all. The see-saw battle had the Sequoits down by one again at the end of the third quarter with the score at 38 to 37.

The Sequoits were leading by one point with 12 seconds left in the final stanza when Mundelein had three opportunities at the basket but failed to cash any of them.

Vic Rogers was fouled in the closing seconds and sunk both free throws to account for the final margin.

Ed Matejka followed Rogers in the scoring for the Sequoits, getting 15 points on 3 baskets and 6 free throws. Johnson was high for Mundelein with 20 points.

Antioch hit 16 of 49 attempts from the field and cashed 20 of 27 from the free throw line for a 78% clip. Mundelein took 65 shots from the field, making good on 17 of them but managed only 15 points in 39 tries from the charity line. Antioch held a slight edge on the boards getting 40 rebounds to 37 for Mundelein.

Salem Central Takes Conference Crown

By John Hansen

The Salem Central Falcons clinched their 5th straight conference championship as they came from behind to beat Burlington St. Mary's 61-53. Playing without Bob Hofer, who was sick all week, the Falcons won by scoring the last 8 points of the game, breaking a 53-53 deadlock.

Before this year, Salem had won 4 straight Southeastern Conference titles. This year the Falcons are in the Southeast Badger. In winning the 5 straight Salem has compiled a 56-7 conference record.

Salem had a balanced attack with 7 players bunched closely. Senior Lyle Foulke led with 12, Ron Weil 10, Glen Muhlenbeck 9, Jim Herda 8, Bruce Dunek 7, Joe Flaschner 7, and Ron Schultz 5. John Holmes, the Hilltoppers' sharpshooter, finished with 24, Dick Epping had 11.

It was Holmes who led St. Mary's to its surprising 33-27 halftime lead. The junior forward hit for 17 points in the first half. With the exception of a last second basket by Sturdy, all of St. Mary's first half points came from 3 players, Holmes 17, Epping 8, and Zivkovich 7. In the second half Salem put a defensive net on Holmes and held him to 7. His teammates added only 13. With the Hilltopper offense grounded Salem outscored them by 14 as the Falcons settled down after a below par first half. Without Hofer, the Falcons' rebounding fell off and St. Mary's got quite a few extra shots under the basket.

After St. Mary's stretched its lead to 7 (32-39) midway in the third quarter Salem snapped back into form as

the Falcons reeled off 10 points to 2 for St. Mary's to take a 42-41 lead. Two free-throws by Sophomore Rory Boucha gave Salem a 44-42 lead as the fourth quarter opened.

Three points by Weil upped Salem's lead to 47-43, but Jim Falt equalled it and Epping's free throw tied the game at 47-47.

In the quarter Epping later pushed the Hilltoppers ahead 51-49. Baskets by Flaschner and Foulke before and after a free throw by Holmes made it 53-52, but another free throw by Holmes tied the score again 53-53. Any thoughts St. Mary's had about winning went out the window as the Falcons scored 3 quick lay-ups to shoot ahead 59-53 with 1:43 left, Jim Herda swished a short jumpshot with 34 seconds remaining to wrap up conference championship.

The Falcon "B" team also clinched its championship with a resounding 72-55 rout of St. Mary's. This is two years in a row that Salem's "B" squad has won it.

Trounce Foes

By John Hansen

The Salem Central wrestling team won its 10th match of the year by routing the Watford Wolverines 34-4.

The Falcons won this match without a pin. The Wolves averted a shutout by gaining draws in two matches. The Falcons have now beaten Watford and Union Grove twice this year and are the favorites to take the Conference championship involving the three schools Feb. 22.

Winners for Salem were: Genkstein 4-1; Stolnack 4-3; Schlager 7-1; Davis 5-2; Kepler 5-2; Nelson 6-0; Seitz 6-3; Klemko 9-0; Remus 15-3; and Herth 1-0.

BEAT RACINE PARK

Salem Central won its second match of the year from a "Big 8" teams this year as it rallied to defeat Racine Park 23-19. Early in the match, Park held a 17-5 lead but the Falcons then won 4 out of the last 5 matches and drew in the other one to win.

Pins by Rodger Richards and Greg Klemko, decisions by Remus and Gilmore, plus a draw by Herth gave the Falcon grapplers the win.

Just 100 years ago, people were crossing this country in wagon trains. Today, we can shoot a rocket into space at 25,000 miles an hour... but everyone's home watching "Wagon Train."

Soph Squad Beats Ela

The Antioch Sophs put the frosting on the cake Friday night as they easily got past the Ela-Vernon Sophs before a parents night crowd, 67 to 30.

Led by Mike Sterbenz and Tyrone Walls, who scored 23 and 19 points respectively, the Sequoit preps jumped out to a 10 to 3 first quarter lead and were never in trouble after that.

Leading 26 to 15 at the end of the first half the Sequoits coasted easily to the victory as Coach Bruce Stahmer went to his bench late in the contest and gave everyone a chance to see action.

The Sequoits controlled the boards as they got 51 rebounds to 31 for the Bears. The fell off a little at the free throw line, missing 14 of 31 attempts for 55%.

State Champs To Be On TV

The 57th annual state high school basketball tournament will be televised throughout Illinois again this year, Albert Willis, executive secretary of the Illinois High School Association (IHSAA) announced. The telecast will be sponsored by Illinois Bell Telephone Company.

Sportscasters Tom Kelly and Bob Rhodes will be joined this year by Jack Drees. This will be Kelly's seventh year and Rhodes' third with the telecast. Except for last year, Drees has covered every tournament telecast.

Semi-finals start at noon Saturday and the finals at 7:00 p.m. The games will be seen on WBKB, Channel 7, in Chicago.

game with Round Lake. The Sequoits are presently tied with the Panthers for third place in the Northwest Suburban Conference.

A TECHNICIAN takes a reading on the performance of an experimental engine being operated in the dynamometer building at Ford Motor Company's Research and Engineering Center in Dearborn, Michigan. The test cell, pictured above, is fully instrumented to re-

Water Safety Program Cuts Down Deaths

This year marks the 50th anniversary of the Red Cross' water safety program. During these 50 years, deaths by drowning have decreased by well over 50%.

The Red Cross doesn't claim all the credit for the decrease in drownings but there can be no denying the role they have played.

In Lake County, 9,930 young people learned to swim through Red Cross programs during 1963.

All Learn-to-Swim programs offered by the Lake County chapter of the Red Cross are co-sponsored by some other organization that has access to a swimming

pool or beach. In Antioch, the Lions Club Aqua Center provides the facilities, and Charlotte Queen is in charge of the program.

Sponsoring organizations sometimes make a small charge for swimming lessons to cover nominal costs, but the Red Cross receives none of this money.

Proclaim Save Vision Week

Dr. Albert A. Bucar, president of the Lake County Optometric Society, informed the members at a recent meeting that President Lyndon Johnson has proclaimed March 1-7 as "Save Your Vision Week" to dramatize the importance of vision care to the American people.

His action followed a joint resolution of Congress passed on December 30. The proclamation was signed that day by the President and calls for an annual observance during the first week in March of each year.

The "Save Your Vision" resolution was introduced in Congress by the American Optometric Association, which has sponsored the event yearly since 1927. Governors of every state have issued similar proclamations over the years, but this is the first recognition by the President.

The resolution calls upon the various professions in vision care and the public to unite during March to conserve the "irreplaceable gift of vision."

The Congressional action was supported by Senators Everett M. Dirksen (R-Ill.) and Paul H. Douglas (D-Ill.)

Cancer Facts And Figures

At least 48,000 Cancer patients will be saved this year who would have died if they had developed Cancer about 25 years ago.

The American Cancer Society made this estimate in its 1964 "Cancer Facts and Figures" booklet just released, according to announcement by Dr. A. H. Sommers, Lake Forest, Chairman, Lake County Unit of the American Cancer Society.

The booklet predicts that about 180,000 persons will be saved from Cancer during 1964, and that "About 90,000 Cancer patients will probably die in 1964 who might have been saved by earlier and better treatment."

The Society points out that under ideal conditions—early diagnosis and prompt treatment—270,000 lives could be saved each year, or half of those who develop cancer. Now only one of three is being saved.

"Cancer Facts and Figures" reports that there are more than 1,200,000 Americans alive today who have been cured of Cancer, and that an additional 700,000 Cancer patients diagnosed and treated within the last five years will live to enter the ranks of those who are cured. The Society considers a cured Cancer patient one who has been free of the disease five years after treatment.

"This means," the Society's booklet says, "there are actually 1,900,000 Americans cured of Cancer today, although 700,000 will not formally be counted as cured until they have completed the five years."

The booklet reports that the Society grants more money for research in leukemia than for any other site of Cancer and that as of March,

1963, it had 64 grants in the amount of \$2,029,047 that were directly or indirectly related to leukemia.

Will Give Jr. College Another Try

The Lake County Community College Association has decided to attempt another referendum to build a Junior College in Lake

County.

A proposal by Rep. Robert Coulson that a state university be built in the area was thought at first to have dealt a blow to hopes for a junior college. However, Rep. Coulson has pointed out that the establishment of a university in the area would not diminish the need for a junior college.

The establishment of more

state universities, he said, has been considered for some time. Also, it would be several years before such a measure could be approved and the college built. In the meantime, the need for more colleges continues to grow.

The new referendum for the junior college would include all of Lake County. Dr. W. C. Petty recommended that the referendum not

Electric heat rates are now
50% lower than in 1958!

For this and many other
reasons, the only really
modern heat makes new
converts every day.

The rapid decrease in electric heat rates is wonderful news, of course—but the rapid increase of praise and

enthusiasm for electric heat should be the most impressive fact of all to anyone who plans to build, buy, or modernize a home during the next few years.

The simple truth is that no other system at any price comes close to giving you all the benefits of electric heat.

The best way for you to be convinced about the value of electric heat is to talk to some of the more than 7,000 Chicagoland families who now enjoy it. They know they get their money's worth from electric heat, just as you will.

Clean, Comfortable, Convenient

Let these 7,000 families tell you how much their cleaning and decorating bills have been reduced because electric heat is clean, flameless, with no burning to create dirt, dust, or fumes.

They'll tell you there's nothing like the convenience of the room-by-room control you get only with electric heat. Mom in the kitchen, Dad in his shower, Baby playing on the floor—each of them can have a custom-made temperature. Comfort? You never had anything like it—and

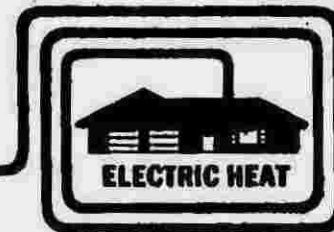

obviously, such controls can help you save heating money, too.

There are no drafts, no chilly spots, no "dried-out" air to steal moisture from your skin, no noise, no sudden blasts of blowing air. There's just silent, radiant, invisible, even, clean, healthful COMFORT—with electric heat.

Before you build, buy, or modernize, be sure you have complete, reliable information about electric heat. Call your nearest Public Service Company office.

Get the facts. You'll bless the day you did.

Get your money's worth with

... it's flameless

Visit Detroit Ford Plant

Chicago-area Ford dealers last Thursday showed 50 newspaper editors from the area some big reasons for the "Big Change" in Ford cars.

Larry Ryan and Walker Lyons, of Lyons-Ryan Ford in Antioch, hosted Howard Shepard, Antioch News, during the day-long tour of the facilities in Dearborn, Michigan, where Ford cars are developed and tested in advance of their appearance in dealer showrooms. They left O'Hare Field at 8:30 a.m. last Thursday.

The group visited the Steel Mill and the Stamping Plant in the world-famous Rouge

Manufacturing Plants, and the Ford Research and Engineering Center and Dearborn Proving Ground.

The group lunched at the Dearborn Inn, then resumed their tour, returning to Chicago by plane Thursday evening.

Lee A. Iacocca, Ford Division general manager and Ford Motor Co. vice president, told the group of newsmen that a new line of cars will be introduced this spring. The new line will be called the Mustang and will be similar to sports-idea cars introduced by Ford for public showing in the past year. No further details on the new car line will be revealed until the time of its public introduction in April.
